

**CourtCall®**  
REMOTE COURT APPEARANCES

The company that has made millions of remote court appearances work for Judges, lawyers and Courts across the nation now brings that win-win-win approach to REMOTE INTERPRETATION...

All inclusive equipment kit creates a self-contained network, providing direct courtroom access to the remote interpreter

- Interpreter may connect from any location using a computer with headset and custom software application.
- The interpreter can listen to one audio channel while talking to another, allowing for full directional control (source and target language).

- SAVES TIME FOR INTERPRETERS, WHILE EXTENDING THEIR ABILITY TO SERVE!
- SAVES MONEY FOR THE COURTS!
- EXPANDS ACCESS TO JUSTICE!
